A pleasant evening when we again acknowledge the winners and hand over the prize money where appropriate. And, much more important, you can mingle, have a drink and a chat with old friends, make some new friends, inspect the results and maybe even collect an age class award and if you qualify, your 30, 20 or 10 year Hoppet cap!

There is also a **Worldloppet** passport stamping display.

Prizes: There are cash, awards and sponsor product prizes for the **first ten** placegetters in the Kangaroo Hoppet. In the 21km and 7km races there are awards and sponsor product prizes for the first three women and men.

AGL Scholarships: Eight \$1000 AGL Energy in Action scholarships will be awarded to the first Australian boy and girl in U14 and U18 in the 7km Joey Hoppet, U23 in the 21km Australian Birkebeiner, and to the first Australians in the 42km Kangaroo Hoppet.

Age Class Winners: The winner of each age class in all three distances will receive a commemorative coffee mug.

Commemorative Hoppet Pennants are given to the teams or schools with over five members skiing in the event.
